(in duplicate)

Sir,

LAND ACQUISITION: (South Kanara)--Puttur taluk--Beltangady sub taluk--Kuvettu village--S.No.11/3B etc--acquisition of lands for improving the spring tank in S.No.15/1--draft declaration--submitted.

--

Ref: 1.G.O.Rt.No.595 Public works department dated 12.5.51.
2.Government Memo No.56351 B/51-1 Public works dated 25.6.51

--

The 4(1) notification in this above case was approved in the G.O cited and was published at page 779 of Part I of the Fort St. George Gazette dated 22.5.1951.

Notices were duly served on all the persons interested under section 5A of the act, except the registered holder of S.No.12/10, Dyama whose whereabouts are not known and on whom therefore the notice could not be served.

S.No.11/3B. Ganapathi alias V.R.Shenoy is the occupier of this plot. He says that there is a well in the plot and that if the plot is acquired the people of the locality will be put to difficulties for drinking water during the summer. The Land Acquisition officer viz. the Revenue Divisional Officer Puttur states that the well referred to by the petitioner falls in the adjacent plot S.No. 11/6B and that it is not a pucca well but looks more like a pit. It is said to serve the needs of the inmates of two houses only in S.No.11/6A. There is a pucca Rural water supply well within a distance of 100 yards from there and the needs of the inhabitants of these houses will be met by that well. Hence the objection may be overruled.

S.No.11/3B, 6B: Amba alias Rukmuni is the occupier of these plots. She says that these plots are not required actually for the tank purposes and that her lands may be valued at not less than Rs.2000/- per acre. This is therefore merely a question of giving suitable compensation and this will be duly considered at the time of the award enquiry.

Certain mistakes in the publication of the 4(1) notification were rectified by an errata approved in the Government Memo cited and was published at page 1002 of Part I of the Fort St.George Gazette dated 3.7.51. The Land Acquisition officer states that S.No.11/6B notified for acquisition is only 6 cents and not 12 cents. The cost of acquisition is estimated as Rs.1378-15-0.

I submit herewith the Draft Declaration under section 6 of the Land Acquisition act for approval and publication in the Fort St. George Gazette. The objection petitions in original, the notice under section 5A of the act and a topo sketch of the plots are enclosed for perusal and return. A statement reconciling the difference which exists between the particulars as given in the published notification under section 4(1) of the act and the Draft Declaration is enclosed.

Yours faithfully,

For Collector.

Copy to the Revenue Divisional Officer Puttur with the preliminary records of enquiry returned.
IC/15.9.51.

Statement showing the reconciliation of the measurements shown in the 4(1) notification and the Draft declaration.
